

The Transylvania Partner Church Education Fund

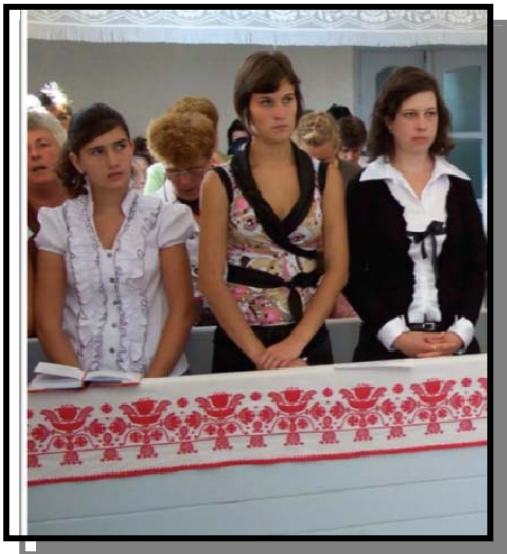

The Transylvania Partner Church Education Fund was established in 2001 by the Rev. Dr. Victor Carpenter and the Rev. Sándor Szentgyörgyi, ministers of First Church and Désfalva, respectively, in order to provide financial support to benefit high school and university students of Désfalva who could otherwise not attend school. Because there is no high school in the village, students must commute to or live in distant towns to continue their education, usually not in their own language, and must pay out of pocket for books, travel, room and board. The Fund provides each student a \$250 annual stipend to help defray these expenses, and we plan to support 10 students next year.

Your gift of any size will help First Church continue its critical role in funding this important program.

I am so excited to have gotten into school at Marosvásárhely. I live in the dorm and I love it there. I've made so many good friends!
–Miklós Molnár, 10th grade

I live alone at home with my mother, who takes in sewing for a living. This scholarship has enabled me to study in my own language at the lyceum in Dicsőszentmárton. I am very grateful.
–Attila Jakab, 10th grade

I attend the theoretical high school in Dicsőszentmárton. I live there but come to Désfalva on Sundays. So far, I've gotten top marks in all of my classes, study piano and folk dancing, and try to be active and involved in the village to help people. I'm a member of the *Kökényes* Dance Troupe. I made you a DVD of one of our shows.
